

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

If you have not already done so, we would like to remind you that Saturday is the final day to register to vote in 1970. About the time the first good issue that comes up that you want to vote on, you will be wishing that you had registered---so why not take a minute or two of your time and do it now.

You may pick up a form at the F and M National Bank.

While the filing deadline is not here yet, it appears that there will not be much activity on the county level in Jones County but on the state level there will be at least one good contest---this will be for the senate seat now held by Ralph Yarborough.

Also on tap for the year will be several amendments to the constitution as well as city and school posts.

An untold number of people have died over the past 200 years that you might have the privilege to vote, so please honor their memory by qualifying to exercise your most important duty as a citizen.

We received a copy of the report of the 1969 activities of the Hamlin Police Department as prepared by Chief Bryan Wasson for the Hamlin City Council.

The fight against crime seems to be one of the top issues in our country today and it is interesting to see how this fight is progressing locally. Though we must admit that when we think of crime as a problem, we think of the big cities up north with its organized crime, but really crime is a problem everywhere.

The local department investigated one murder and three cases of assault with the intent to murder this past year.

The national crime index rose by 11 percent during the first nine months of 1969 over the same period in 1968. Hamlin did not escape this trend as the number of serious crimes increased from 87 in 1968 to 99 in 1969.

But on the bright side---the number of crimes cleared also increased as the department cleared 24 cases and closed four others in 1968 and cleared 37 and closed 26 others in 1969. The nationwide average is to clear about one of five.

Hamlin was fortunate in 1969 as we did not have a fatal traffic accident. There were 75 accidents reported last year with 271 traffic tickets issued.

The problem of alcoholic beverage enforcement has been a major problem for the local department as 94 arrests were made related to this. Of this, 8 were for driving while intoxicated, 7 for drunk in car, 23 for drunk in public, 45 for minor in possession of alcoholic beverages, 10 for making alcoholic beverages available to a minor, and 1 for drinking in a public place.

Fines collected last year in Corporation Court totaled \$4,939.10 with October topping the list with \$694.90.

The problem of law enforcement in a small town is one that is very hard to solve. It is hard to get qualified men to serve at the wages that the city can afford to pay but at the same time we are closer to the problem of enforcement and expect more than do our larger neighbors.

The local department under Chief Wasson has come a long way in the direction of training and organization. With all of the rules and restrictions that law enforcement officers must operate under now it takes more training than ever before. The old days of a night watchman taking care of a small town are gone forever with the highly mobile society we have now.

License Plates To Go On Sale - Here Monday

Automobile license plates for 1970 will go on sale Monday, Feb. 2, in the tax collector's office in Anson and at three sub-stations over the county, according to Louis Johnson.

Some people already have mailed in application to buy tags under the new procedure but Johnson, the tax collector, said these would not be mailed until after Feb. 1.

Tags may be obtained as in the past in Hamlin at McCollum - Cunningham Insurance Agency, in Lueders at the City Hall, and in Stamford at Enis Bishop Electric.

If the application for the tags is mailed in, a charge of \$1.00 extra is made for mailing back the plates. All that person needs now to get the new plates is a blank mailed to him by the state. If this has been misplaced, then tags may be obtained as in the past up on presentation of certificate of title and last year's receipt.

Tags this year will have a white background with light blue letters and numerals. Jones County has been assigned passenger car tags in this range: DDW through DFW 399. Commercial tags will run from 1Y through 1Z 999.

L. J. Cunningham, local agent for the sale of car tags here, has received 3,415 license plates.

The plates for passenger cars include the following series: DFB 700 to DFB 999; DFC 10 to DFC 999; DFD 10 to DFD 999. Trucks will include 1Y - 8650 to 1Y - 9249.

Farm truck numbers are from 8H-8175 to 8H-8374.

H. D. Redus Wins Abilene Savings Local Drawing

H. D. Redus, 212 North Central in Hamlin, was the proud winner of either a garden tractor or a \$600.00 savings account at Abilene Savings Association announced C. E. Bentley, president of Abilene Savings in Abilene.

According to Bentley, Mr. Redus was one of eight winners who received prizes as a result of drawings held at Abilene Savings new mobile unit locations in eight cities surrounding Abilene.

Other recipients of prizes were: Mrs. Ike Bailey of Albany received a one thousand dollar savings account; Mrs. G. C. Stroebel of Cisco received a stove and refrigerator; Louis Hollis of Clyde received 2000 gallons of gasoline; Rocco P. Bruno of Baird received a deep freezer; Mrs. H. C. Burnam of Eastland received a color television set; Mrs. R. Y. Buchanan of Merkel received an expense paid trip to Hawaii, and Mrs. Annie E. Huber of Anson received a 1970 Ford Pickup.

Each winner has the option to take either the prize awarded or an equivalent amount of money in an Abilene Savings account.

Membership Cards Mailed to Over 200 By Local BCD

Membership cards were mailed to more than 200 members of the Hamlin Board of Community Development Jan. 15, with a letter concerning the aims and activities of the local organization.

Also included in the mailing was an inquiry on the initiation of a "United Fund" in Hamlin. A special committee made up of Charles Hilburn, John Scarborough and Joe Ford are seeking the opinions of the BCD members about the prospects of starting a "United Fund."

Members are urged to return the inquiry by Jan. 31 with their wish to participate or choice of participation or not to participate in the prospective fund.

OUTSTANDING SENIOR BOY AND GIRL—Gary Smith and Jana Ferguson were chosen Outstanding Senior Boy and Girl by the Junior Class. They were named at the annual Junior-Senior Banquet Thursday evening. Gary is the son of Dr. and Mrs. M. L. Smith. Jana's parents are Mr. and Mrs. S. C. Ferguson Jr.

School Audit Shows District Must Raise Little Over Half of Budget

A combined statement of revenue and expenditures for the year ended Aug. 31, 1969, for the Hamlin Independent School District is being published in this issue of the Herald. The report was prepared by James E. Rodgers, C. P. A.

The report shows that the local school system is big business with revenue for the year totalling nearly \$600,000. A little over half of this income or revenue comes from

local sources with the balance coming from county, state and federal sources.

The two biggest items under revenue are Ad Valorem Taxes collected, \$305,039.14, and State Aid, \$268,831.32.

On the expense side of the ledger, the largest item is for instruction, \$400,429.19. The next major item is debt retirement, \$63,940.50, followed by operation of plant, \$45,510.13.

The cost of administration was \$39,327.99, capital outlay, \$24,354.30, and pupil transportation, \$17,231.58.

Expenses for the year exceeded the revenue by \$16,462.90, which lowered the balance on hand from \$33,877.57 as of Sept. 1, 1968, to \$17,414.67 on Aug. 31, 1969.

The system collected \$59,177.57 for the retirement of bonds and paid out \$63,915.50 for this purpose which lowered the sinking fund for this purpose by \$4,737.93.

In the operating fund, the district received \$503,081.99 and spent \$12,687.07 more than they took in or \$515,769.06. This put the operating fund in the red by \$33.78.

Under special funds the district received \$35,693.18 from state and federal aid and spent \$34,731.08. The difference was monies due from the previous year. This special fund includes the Summer Head Start program and the Remedial Reading program.

Local FFA Boys To Attend Fort Worth Stock Show

Twenty members of the Hamlin FFA Chapter are planning to make the annual educational trip for second, third, and fourth year members. This year's trip will be to the Fort Worth Livestock Exposition and Rodeo. Members will depart Hamlin Friday morning, Jan. 30 and will return to Hamlin Saturday, Jan. 31.

In addition to attending the livestock show the members are planning on touring the General Motors Assembly plant in Arlington Friday afternoon.

Members planning to make the trip are Steve Baker, Mike Cary, Guy Clifton, Mike Donham, Don Bockman, Troy Early, Spencer Ford, Carlos Gonzalez, Bill Hodnett, Edward Johnson, Gary Ledbetter, Mark Madden, Rodney Rackley, Mike Robbins, Charles Sellers, Duane Stewart, Gene Stovall, Earl Webb, Davis Weaver and Alton Trotter.

Tasting Tea Set

The Youth Choir of First Baptist Church will conduct a Tasting Tea Sunday afternoon in the cafeteria of Hamlin High School.

Coffee and punch will be served with the wide variety of foods to be offered. Recipes will be sold at different prices, depending upon the item.

Proceeds are to be used for the mission trip to Colorado this summer.

Ballinger Here Friday, Pipers To Travel to Merkel Tuesday

The Pied Pipers will be trying to break up a four-way tie for second place this week when they host Ballinger here Friday and travel to Merkel Tuesday. Merkel remains on top of district play with a 9-1 record and Ballinger, Anson, Coleman and Hamlin are tied for second place with 6-3 records.

While the Pipers are trying to move up with a win over Ballinger, they will be hoping for a Coleman victory over Merkel. These two teams will be meeting Friday at Coleman. A win by Coleman would give the Pipers a chance to tie the race up with a win over Merkel Tuesday.

Last Friday the Pipers defeated Haskell here, 67-55, with Charlie Shira and Robert Bolden each hitting 17 points to lead the scoring. Marcia Steele scored seven points as the Pipers fell to the Haskell girls, 31-22.

David Ralliff

Seeks Return to State Senate

State Senator David Ralliff of Stamford announced today that he has filed with the County Democratic Chairmen for reelection to the office of State Senator, District 24.

Senator Ralliff is presently Chairman of the Senate Oil and Gas Committee and serves on nine other standing Senate Committees. He is also serving on the Legislative Council and has served on the State and Local Tax Policy, Vocational and Technical Training and other important Interim Study Committees.

The 24th Senatorial District is composed of 21 counties consisting of Borden, Callahan, Coke, Coleman, Fisher, Garza, Glasscock, Haskell, Howard, Jones, Kent, Mitchell, Nolan, Runnels, Scurry, Shackelford, Sterling, Stonewall, Taylor, Throckmorton and Young.

A formal announcement of his candidacy will follow in the next few weeks.

Eighth Graders Drop Two Games At Sweetwater

The local eighth graders were knocked from the ranks of the undefeated Friday night when they fell to the Colorado City Junior High team, 30-29, in the Sweetwater Junior High Tournament. Bill Cork was high for the local boys with 10 points.

Saturday morning the Sweetwater Junior High team defeated the local boys, 24-17. Steve Mackey was high with six points.

Cork and David Willis were named to the All-Tournament team.

Tonight (Thursday) the three junior high teams will play Anson at Anson with the seventh grade boys playing at 6:30, the eighth grade girls at 7:30 and the eighth grade boys at 8:30.

Hamlin won the B game, 34-27.

Tuesday evening the Pipers pulled out a victory over the Stamford Bulldogs in the third quarter to win, 67-61. Bolden was high pointer with 26, with Shira following with 16. The Stamford B team downed the local B team, 50-37.

W. L. McDonald Seeks Return As District Clerk

W. L. (Poochey) McDonald, District Clerk, has released the following announcement to voters of Jones County:

"I have enjoyed serving you as your District Clerk, in and for Jones County, Texas, and would appreciate serving you in the future. I am now asking you to elect me again as your District Clerk. The experience that I have gained in the duties of the office, will help me to make you a better official."

McDonald authorized the Herald to announce his candidacy while in Hamlin Tuesday.

County Draft Board Fills Quota Within First 60

Jones County was able to meet its February draft call of nine inductees and still remain within the No. 60 as requested by Selective Service Headquarters in Washington, according to Mrs. Mabel Dundy, executive secretary of the board.

"We will send these nine men in for induction and also 39 more in for their physicals. This latter group is just about all we have available in the 19 to 26 age bracket," Mrs. Dundy said. The men will report in Abilene on Feb. 2.

The size of the draft board has been increased from three to five members with Mrs. George Pryor of Stamford and Billy C. Freeman of Albany the new members. Others in the Board are John D. Willett Jr., Albany; Kenneth B. Lane, Haskell; and Jack Edwards, Anson.

Mr. Freeman, a Negro, preaches in Hamlin and Albany.

The board meets once a month.

TONDA GROUP TOURS STATION — Members of the Tonda Camp Fire Girls group toured the Hamlin Police Department Friday afternoon. Here, Mrs. W. R. (Bill) Smith, dispatcher, explains procedures to the girls. Members of the group are Julie Jeffrey, Mary Ann Pritchard, Darendra Wheat, Diane Jay, Tracy Offield, Jaye Wright, Gail Hertel, Jamie Crowley and Pam Pritchard. Adult leaders are Mrs. James Crowley and Mrs. Coye Pritchard.

NEWS FROM . . .

Old Glory

By Bernice White

by Bernice White
Mr. and Mrs. Dalton Gill, Mrs. Travis Beil and Mrs. Cecil Klump attended the January meeting of District 14 Small School Association at the Abilene Educational Service Center Monday night of last week. After the barbeque meal, the teachers attended group interest sessions under the direction of consultants from the Abilene Schools.
Mrs. Pat Kelley, Speech Therapist, has been scheduled

to check the hearing and speech of Old Glory students on Thursday, Jan. 29. This service is being provided by the Education Service Center at the request of the school nurse, Mrs. Lillian Hicks.
Supt. Dalton Gill reports that eleven adults attended the first session of the math class he recently organized. He adds that the next session will be held in the science room Thursday, Jan. 29, at 7:00 p.m. Coffee will be served and he invites new enrollees

to attend.

Friday dinner guests in the home of Mrs. Katie Gerloff were Mr. and Mrs. Ed Packer of Corpus Christi, Mrs. Pauline Fuqua of Stamford and Mr. and Mrs. Beno Herttenberger. Dinner guests in Mrs. Gerloff's home Saturday evening were Mr. and Mrs. Raymond Gerloff and Mr. and Mrs. Owen Nelson all of Abilene.

Visitors in the home of Mrs. Margie Mischer last Sunday included Mrs. Lillian Hackabeil of Demming, N. M., and Mr. and Mrs. J. W. Upham of Lubbock, Mr. and Mrs. Herbert Klump, and Mrs. Katie Gerloff.

VARIETY CLUB

The Old Glory Variety Club met for a special meeting last Tuesday in the home of Mrs. Garrett Spitzer. The group quilted a quilt for Mrs. A. R. Sawyers. Those present

were Mrs. E. H. Diers, Charlie Letz, Beno Herttenberger, Lynn Flowers, Katie Gerloff, Travis Beil, and the hostess. Get well wishes go to Mrs. Beno Herttenberger and Mrs. Margie Mischer. Both are patients in the Stamford Memorial Hospital. Visitors in the home of Mr. and Mrs. Garrett Spitzer last Sunday included her brother and his son, Les Wienke of Lubbock, and Jerry Wienke of Petersburg.

Mr. and Mrs. Cliff Gholson are the proud grandparents of a baby boy. He is the son of Mr. and Mrs. Bob Coats of Wichita Falls, born last Sunday.

Mrs. Gholson and her daughter, Linda of Abilene, spent last weekend in Wichita Falls with the Coats.

Visitors in the home of Mr. and Mrs. Lynn Flowers last Sunday included the J. V.

Ritenours and Mr. and Mrs. Floyd Davis, all of Abilene.

Mrs. Hazel Overton of Stamford spent last Thursday and Friday in the home of Mr. and Mrs. Lynn Flowers.

WTU Employees Set New Safety Record In 1969

A new all-time safety record was set on December 31 when the employees of West Texas Utilities Company completed the year without a lost-time accident.

During the twelve-month period WTU's 1040 employees worked a total of 2,221,674 man hours.

During its long history of providing electric service to customers in West Texas, never before has such a record been achieved. Several times during the past 10 years the

perfect record was almost reached. In 1960 only two lost-time accidents were recorded. Three were charged to the Company's record in 1963; four in 1964; and only two in 1967. Since 1957 only 57 lost-time accidents have been recorded in the 10-year period.

Last September the WTU employees received special recognition when they were presented the Safety Achievement Award by the Bureau of Safety. This came after they had worked more than 2,000,000 man-hours without a lost-time accident. The last recorded was in October, 1968. The record now reads: fourteen months without a lost-time accident.

The new five-cents-a-drink private club tax brought in \$976,474 during October-December.

Small Artificial Kidney Being Developed by AEC

Science may soon come up with a small, inexpensive artificial kidney—a boon for the thousands of persons suffering from kidney failure who cannot afford treatment now available.

The Atomic Energy Commission's Argonne National Laboratory, near Chicago, and the National Institutes of Health are working on an artificial kidney, called a hemodialyzer, for patients to use at home.

Hemodialyzers substitute for damaged kidneys by filtering poisonous wastes from patients' bloodstreams as the blood is diverted through the

devices. Several prototypes are already built, including one less than eight inches long. Design objectives stress simplicity of operation, small size, and low cost.

Cost for treatment using present methods ranges from \$5,000 to \$25,000 a year. Probably less than 3,000 persons are using these treatments. Doctors say as many as 50,000 Americans alone could benefit each year from a low-cost dialyzer.

Clinical evaluation of the dialyzer will be performed under subcontract with the Hines Veterans' Hospital,

Reception to Honor Sylvester Couple

A reception will be held Sunday, Feb. 1, honoring Mr. and Mrs. Edgar P. Harris Sr. on their 55th wedding anniversary. Calling hours will be from 2 to 5 p.m. Hosting the affair in the couples home at Sylvester will be their children, E. P. Harris Jr. of Sylvester, Mrs. Curtis L. (Kathryn) Stevenson of Anson and Mrs. John H. (Winnie Lou) Harrell of Sweetwater.

Mr. and Mrs. Harris were married January 31, 1915, at Sylvester and have lived there since that time. Mr. Harris is a farmer, and they are members of the Baptist Church.

Mr. Harris was born March 3, 1892, in Titus County. He came to Sylvester in 1907 at the age of fifteen with his family the late Mr. and Mrs. M. J. Harris. He has one brother, C. R. Webb of Roby and one uncle, Tom Prewitt of Sweetwater.

Mrs. Harris was born Maud Lee Johnson, Oct. 10, 1896, in Grayson County. She came to Fisher County with her family, the late Mr. and Mrs. A. A. Johnson, in 1905 at the age of ten. They settled in the Sylvester-Pledge area. She has two sisters; Miss Pearl Johnson of Sylvester and Mrs. Delia Beard of Fort Worth. The couple also has five grandchildren and one great-grandson.

All friends of the honored couple are asked to join them in celebrating the occasion.

REBA PRITCHARD . . . engagement announced

Reba Pritchard, David Galloway Set Wedding Date

Mr. and Mrs. Leroy Pritchard are announcing the engagement and approaching marriage of their daughter, Reba Joyce, to David Wayne Galloway, son of Mr. and Mrs. C. W. Galloway of Stamford.

The bride is a graduate of Hamlin High School and is attending Draughton's Business College in Abilene.

The bridegroom attended Stamford High School and is now in the U. S. Army stationed at Fort Cronkhite, Calif.

The couple is planning a March wedding.

FHA Chapter Sets Annual Beau Night Monday

The Future Homemakers of America Chapter will have their annual Beau Night Banquet Monday, Feb. 2, at 7 p.m. in the high school cafeteria.

Mrs. Donald Young will be the guest speaker.

The FHA Beau and Miss FHA will be revealed.

Mrs. Waggoner Gives Program for Xi Gamma Pi

Mrs. Jerry Waggoner gave a program on entertaining and hobbies for members of Xi Gamma Pi Chapter of Beta Sigma Phi at the Thursday meeting in the home of Mrs. E. J. Hawkins.

Mrs. W. T. Johnson presided in the absence of the president, Mrs. E. D. Perrin. Plans were made for the St. Valentine's party to be held on Saturday, Feb. 14, at 7:30 p.m. in the home of Mrs. C. W. Griggs.

An invitation was extended from Beta Theta chapter to their meeting Feb. 4 in the home of Mrs. L. C. Bonds. The program will be presented by a guest, Mrs. Ray Sonnenburg, on her visit this past year to Lebanon.

Others present were Mmes. John C. Bryant, Holly Toler, and Gerald Young.

Woman's Forum Receives Money For Encyclopedias

A pledge of \$10 was received from Xi Gamma Pi chapter of Beta Sigma Phi at the Monday evening meeting of Woman's Forum.

The pledge brings to \$30 the amount to be used toward the purchase of encyclopedias for Harden Memorial Library. Others giving \$10 each at earlier meetings were the Lo Cal Club and Jaycee-ettes. Other donations to this fund will be received by Mrs. Kenneth Riddle.

The quarterly business session was conducted by Mrs. R. D. Moore, first vice president, in absence of the president, Mrs. Floyd Clifton.

Business included reading of a letter sent to Texas Federation of Women's Clubs asking for resignation of the Forum from that organization. The need for small chairs was discussed and if none are available from donations, the building committee was instructed to acquire several. The small chairs are needed for the younger users of the library.

Mrs. V. E. Holt, librarian, gave the 1969 report of activities at the library. She reported 1,067 books checked out during the year.

She also noted that the typing of a master file is underway and volunteer help is needed for this. Anyone who can assist in this is asked to contact Mrs. Holt.

The building committee was further instructed to secure additional shelves for the junior and elementary section. These books need to be where they are more accessible for the young readers.

Mrs. Tim Jones Hosts Beta Theta Meeting Jan. 21

Mrs. Tim Jones was hostess for the Beta Theta Chapter of Beta Sigma Phi last Wednesday for a program on "Self Estimate" presented by Mrs. Max Brown.

Mrs. Brown used "Mirror, Mirror on the Wall," by Gaylord Houser and the 10th chapter of Proverbs as basis for her presentation.

Mrs. Cecil Sellers Jr., a transfer member from Dallas, was introduced.

The next meeting will be in the home of Mrs. L. C. Bonds Feb. 4 at 4 p.m.

EAGLES SPEAK

The Juniors and Seniors have really been practicing for the play they will present Feb. 13. "Man Overboard!" is a Comedy-Mystery in three acts, and everyone is invited. It will be held in the McCaulley Gym. The time will be set later.

Last Tuesday, the McCaulley Eagles were hosted by the Noodle-Horn Mustangs. The high point scorer for McCaulley was Sue Smith with 13 points; Shirley Gann followed with 12 points. Vickie Smart made 4 and Polly Spalding made 2. The score turned out 61 to 31 in favor of the Mustangs.

The boys put up a good fight but were defeated too. Last Thursday the Eagles hosted the game against Eula, in which they were the victors.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(January 30, 1925)

The revival which began on last Sunday at 11:00 a. m. at the Nazarene College is growing in interest and power with each service. Rev. Phillips, the pastor is doing the preaching, and Prof. Clyde Rhoder has charge of the song service.

Rev. Phillips is not only a great preacher, but his ministry is backed up with the kind of a life that is essential to make ones ministry a success.

We invite every one in and around Hamlin to come and enjoy these good services with us.

Services 11 a. m. and 7:15 p.m. Continuing until Feb. 8th.

—Reporter.

A number of relatives and friends were delightfully entertained at the home of Mr. and Mrs. J. S. Jones, Sunday, January the twenty-fifth, when they celebrated their fifty-fifth wedding anniversary. The occasion, also being the eightieth birthday of Mr. Jones.

Mr. and Mrs. Jones had just returned from a visit with their daughter at Palacios, and one of the treats of the dinner was the fresh oysters they served which they had brought with them from that place.

Those enjoying this delightful hospitality were: Mr. and Mrs. Pat Collins, Mrs. and Mrs. J. E. Boyd and family, Mr. and Mrs. B. E. Jones and family, Mr. and Mrs. M. S. Jones and family, Mr. and Mrs. Tom Jones and family and Mr. and Mrs. M. H. Castleberry and family.

"Daddy and Mammy" Jones as they are called by their intimate friends are the parents of seven children, they have twenty-eight grand children and ten great grand children.

Miss Lillian Gray who is a student at Carr-Burdette College is spending a few days at the home of her parents, Mr. and Mrs. George Gray.

Mr. and Mrs. Gorman of Carbon were guests this week at the home of Mr. and Mrs. John T. Day.

TWENTY YEARS AGO
(January 27, 1950)

Hundreds of people from all parts of West Texas and many from other states attended the formal opening of the new banking house of the F. & M. National Bank last Saturday.

The open house was from 4:00 p. m. until 9:00 o'clock, and visitors to the event were greeted by officers and employees of the institution.

Miss Lennie Greenway, cashier and Miss Buna Rountree, assistant cashier, stood at the front door of the bank to welcome visitors to the open house.

In the president's office were Tate May, president, Mrs. May, Mrs. J. W. Ezell, a director, and Mrs. M. P. May, mother of Tate.

Visitors were conducted on a tour of the new building and shown the many new features of the bank's home. All members of the bank staff were present to greet the guests.

A car driven by Mrs. Floyd Smith of Hamlin was overturned when struck at an intersection in Sweetwater last Thursday by an automobile driven by Glen Kinsey Jr., of Sweetwater. Mrs. Smith and a small child riding with her were given treat-

ment in the Sweetwater hospital and released. Kinsey was unhurt.

Hamlin's Pied Pipers climbed to top position in 6-A East basketball last Friday night when they roundly thrashed the Throckmorton Greyhounds in a district game at Hamlin.

The two teams had been tied for first place in the first half of the season before Friday's contest. The score was 32 to 23.

Hamlin's win last Friday gave the locals a record of five wins and only one loss in the first part of the schedule, and put them in good place for honors in the second half.

Hamlin's grade school basketball team, the Mighty Mice, managed out a win over the McCaulley grade school players in a game at McCaulley Tuesday night.

The score at the end of a hectic session was: Hamlin 22, McCaulley 20.

Members of the Sunbeam Band of the First Baptist Church met in the church building with their leader, Mrs. John E. Walton, Monday afternoon.

Those present were: Danny Nie-decken, Gene Shelburne, Lilly Sue Austin, Bunny Patterson, Sue Flen-niken, Rebecca Ann Ferguson, Diane White, Carol Joe Simpson, and Mary Lois Patterson.

TEN YEARS AGO
(January 28, 1960)

New pastor of the First Baptist Church, Rev. Lenard A. Hartley, began his ministry in his new capacity Monday at Hamlin. He moved into the revamped parsonage south of the church from Sweetwater, where he had been pastor of the Lamar Street Baptist Church for three years.

Hartley succeeds Rev. Calvin Bailey as full time pastor. Bailey resigned last August to accept a church in Bristol, Virginia. Rev. Bryon Bryant, of the public relations department of Hardin-Simmons University at Abilene, has been interim pastor for the past five months.

City Politics is a commodity that Hamlin seems to be fresh out of these days.

Although the terms of the mayor and three of the five councilmen will expire in April, mum is the word about town as far as interest in the forthcoming city election on April 5 is concerned. Mrs. H. M. Barrow, city secretary, reports that nobody has filed for a place on the city ticket, and that she had heard of no prospects so far.

Boy Scouts of the community did a good job Saturday in their traffic blockade for March of Dimes funds in downtown Hamlin despite the chilling drizzle that persisted, but other portions of the current drive had few definite trends to report, declared Marvin D. Carlton, drive chairman, first of the week.

The traffic blockade netted \$229 Saturday, the chairman said. Boys working the intersections were Michael Roland, Billy Kitchens, Pat Batchelor, John Poe, Charles Prew-it, Tommy Ferguson and Tommy Hill.

Mrs. Charles Connally, wife of a Hamlin business man, recently was employed by the Hamlin Independent School Board as a new teacher of first grade. She replaces Mrs. Gene Moore, who moved recently with her husband to Adrian.

West Texas Polled Hereford Sale Set In Abilene Feb. 14

Abilene has again been selected as the site for the annual West Texas Polled Hereford Association Sale. The sale will be held Saturday, February 14, at the Abilene Auction on IH20 and will begin at 12:30 p.m.

The sale offering will consist of 46 bulls and 21 females from 17 West Texas ranches. A significant portion of the females selling is the Polled Hereford cow herd at Abilene Christian College.

All females over 24 months of age will be pregnancy examined safe-in-calf. All the cattle are guaranteed to be sound breeders and are registered in the American Polled Hereford Association.

The majority of the bulls consigned are serviceable

aged bulls, well grown out and ready to go to work. The cattle will be sold individually or in pens of two or three at the buyer's option.

Dr. R. Lee Rode of Abilene is president of the West Texas Polled Hereford Association. Sale chairman for this year's third annual event is Dr. Edwin DuBose, associate professor of agriculture at Abilene Christian. The sale will be managed by the Texas Polled Hereford Association.

Annual Ericksdahl Smorgasbord Set For Friday, Feb. 20

Tickets will go on sale Tuesday, Feb. 3 for the annual Bethel Lutheran Church (Ericksdahl) smorgasbord to be held Friday, Feb. 20. Price this year will be \$3.00 for adults and \$2.00 for children between the ages of 5

and 12. Serving times will be 5:30 to 6:30, 6:30 to 7:15, 7:15 to 8:15, 8:15 to 9 p.m. Ticket purchasers are asked to give first, second and third preferences.

Mail orders only will be accepted on or after February 5. Earliest postmarked orders after February 5 will be filled first. A stamped and self-addressed envelope should be enclosed in order for the tickets to be sent. Mail orders to Smorgasbord, P. O. Box 1096, Stamford, Texas, 79553.

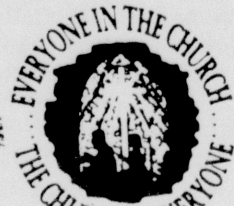

A job-training contract of \$145,831 for operation of Services, Employment and Development projects in San Antonio, Corpus Christi and El Paso has been approved for a seven-month period.

The new five-cents-a-drink private club tax brought in \$976,474 during October-December.

DOOR OPENERS

Keys and churches are door openers. In both cases, each require you to put forth some effort. The key you must insert in the lock and turn. Our Lord made the way to heaven even easier, for all that you have to do is present yourself and believe.

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works lest any man should boast: For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Hamlin High Happenings

Piper Patter

by Mary Wallace
Thomas Goolsby
Toni Casey

The Annual Junior - Senior Banquet was held last Thursday night in the high school cafeteria. The theme for the banquet was "The Age of Aquarius". Zodiac decorations were used to carry out the theme. Charlie Sellers, Junior class president, was master of ceremonies. The invocation was given by David Mullings. The welcome was by Darrell Craig and the response was by Gary Smith, Senior class president. Providing entertainment were the "Amorette", a group of senior girls from Stamford High School. They sang four numbers that were enjoyed by all. Earl Webb and Debbie Elmore recognized Jana Ferguson and Gary Smith as most outstanding senior girl and boy. The banquet ended with the singing of the Piper Song led by Charlie Shira.

The Pipers were victorious with a 67-55 win over the Haskell Indians last Friday night. Charlie Shira and Robert Bolden were high scorers for Hamlin with seventeen points each. The Pipers are now 5-3 in district play. The Piper B team was also successful with a 34-27 score. The Piperettes however were defeated by a score of 31-22. Marcia Steele was high scorer for Hamlin with seven points.

The January meeting of the Future Homemakers of America was held last week at the Holiday Lodge. The meeting consisted of a devotional given by Jana Ferguson. Latrese Williams presented special music accompanied by Debbie Hardaway. Marcia Steele then led the Lord's Prayer.

The National Honor Society's patriotic assembly, which had been postponed since the first semester, was held today in the high school cafeteria. Chris Perrin, NHS president, gave the welcome and a short talk on respect for our national flag. Gary Smith and Charlie Shira gave readings on patriotism and American spirit followed by a prayer by Thomas Goolsby. Marcia Steele gave special music and Peggy Jones led the Pledge of Allegiance.

Many HHS band students have begun work on solos and ensembles for area competition in March. Those who receive first division ratings on class one solos or ensembles will then be eligible to attend state contest in Austin this summer.

The high school band as a whole has begun the difficult job of selecting and preparing music for University Interscholastic League competition this spring.

Seaborg on Science

Doctors Make Use of Atom

By Glenn T. Seaborg, Chairman
U. S. Atomic Energy Commission

Dr. Seaborg

To most people the term "radioactive material" signifies something dangerous—something from which you'd better keep your distance if you're not trained and equipped to handle it. But while this may be generally true, there are more than one million people every year who drink an "atomic cocktail"—and do so under doctor's orders.

What is an atomic cocktail? It is a colorless, odorless, tasteless mixture of water and iodine-131, a radioactive isotope, used to diagnose—and also to treat—thyroid disorders. This radioisotope is one of more than 30 being used successfully throughout the world to diagnose and treat a variety of human ailments. A great many lives are saved and much suffering alleviated through the use of such medical isotopes. Today in the United States radioisotopes are used some eight million times every year in diagnostic tests and various methods of treatment.

Some isotopes are used in many ways. For example, iodine-131 can also help in the diagnosis of liver and kidney problems, can help locate brain tumors, and help doctors study blood volume and cardiac output. Phosphorus-32 is being used to treat leukemia and some types of bone cancer. Several radioisotopes—gallium-68, strontium-85, fluorine-18 and calcium-47—are used to detect bone diseases. Other medical uses of radioisotopes include yttrium-90 for pituitary gland therapy, gold-198 to offer relief in lung cancer and sodium-22 to diagnose circulatory disorders. These are only some of the many medical isotopes that are used internally— injected into, or ingested by, the patients.

In another type of internal treatment radioactive sources are placed near or implanted directly into the diseased area. One of these treatments involves the use of a wire made of chromium-51. Since the radioactivity of the isotope diminishes to half in 27 days the wire can be left in the patient without fear of an overdose.

A type of tumor irradiation from an external radioactive source, such as cobalt-60, has been very successful in treating some types of cancer. And in treating leukemia, we have even irradiated the patient's blood outside his body by causing it to flow through plastic tubes past a radioactive source to kill cancerous cells, and then back into his body.

These are only a few of many ways we are using radioactive materials medically to help diagnose and treat disease to help save human lives.

Wichita Falls Man To Head Census Program for Area

Appointment of Richard R. Newton of Wichita Falls, Texas, as District Manager of the 1970 Census of Population and Housing in this area was announced today by Director Percy R. Millard of the Census Bureau's Regional Office in Dallas.

From the District Office located at Scott & 8th St. in Wichita Falls, Mr. Newton will supervise all phases of the census in the following counties: Archer, Baylor, Clay, Coke, Cooke, Denton, Dickens, Fisher, Foard, Glasscock, Hardeman, Haskell, Howard, Jones, Kent, King, Knox, Jack, Mitchell, Montague, Nolan, Palo Pinto, Shackelford, Stephens, Sterling, Stonewall, Taylor, Throckmorton, Wichita, Willbarger, Wise, Young.

Mother of Gene Knabel Dies Jan. 20

Services were held in Jacksonville, Tex., Jan. 20 for Mrs. Letha Priestly, 66, mother of Gene Knabel. Mrs. Priestly died there Jan. 19. Services were held in Thompson and Elliott Funeral Chapel.

Survivors include five sons, two daughters, 14 grandchildren and two great-grandchildren.

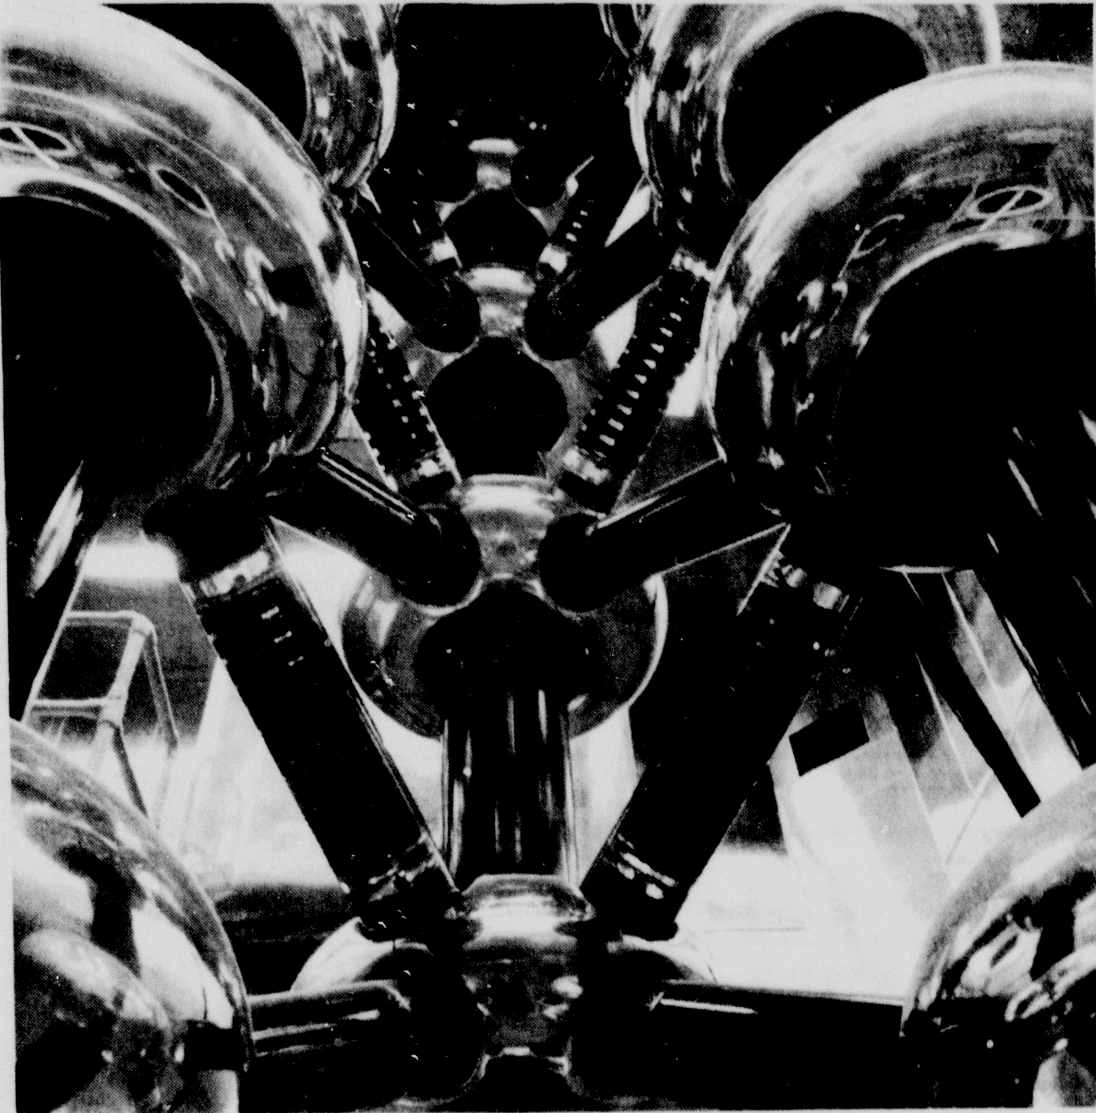

Mr. and Mrs. Knabel, owners of Knabel Jewelers, attended the services.

Library Fund Established Here

A book fund, established by Forrest Greenway in honor of his parents, Mrs. J. C. Greenway and the late Mr. Greenway, will be used to purchase books for the library of First Baptist Church.

The principal will be kept in time deposit and the interest used to purchase books.

Mr. and Mrs. Anselmo R. Martinez Jr. of Jayton are parents of a girl Ester Garcia, born Jan. 26 at 8:42 p.m. She weighed 7 lbs. 14 oz.

MODERN ART?—No, this piece of geometric art work is a Cockcroft-Walton generator which will send a beam of sub-atomic particles into a new atom smasher being constructed at the AEC's Los Alamos (N.M.) Scientific Laboratory. The new machine, known as the Los Alamos Meson Physics Facility (LAMPF), is expected to begin operation in mid-1972. The generator boosts the particles to about four percent the speed of light, when LAMPF takes over, the particles will end up with a speed of about 84 percent the speed of light. (W. H. Regan photograph, LASL)

Neinda Philosopher Does Some Figuring and Finds Whole Country Not Making Ends Meet

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with some tall figures this week.

Dear editor:

An article I read in a newspaper last night got me to thinking and this morning I woke up still thinking and I'm afraid I'm going to have to have some help before I get to the end of the problem, as I'm not too good at figures.

According to it, some scientists have estimated it will take at least 66 billion dollars to clear up all the streams and lakes in this country now so scandalously polluted. Another group estimated it will take 100 billion to eliminate air pollution, in view of the fact we're dumping 800 million tons of pollutants into the air every year. A while back the mayor of New York said it'd take at least 50 billion dollars to make his city really liveable, and the same would go for a lot of other cities which can prove they're just as unliveable as New York.

Then I got to adding up other costs this country is faced with. For example, just to feed, clothe and house the 200 million people in the U. S. it must take at least \$2,000 apiece (some take a lot more, some have a lot less), which is 400 billion itself. Defense takes around 60 billion, other Federal expenditures take 140 billion, states, counties and towns take more billions. To keep the payments up and buy gas and oil and tires on a million cars takes several more billion, and even more if somebody smashes a fender. I don't know what it costs to build and maintain the highways of this nation, but it's way up in the billions, when you remember some freeways cost over a million dollars a mile.

Then add up all the other costs, like the billions it takes to fight crime and run the courts, hospitalization costs, color television, sports, travel, visits by in-laws,

Christmas presents, weddings, plumbing bills, insurance, exploring space, Congressional pensions, etc., etc., and what it comes out to, if you'll check the figures, is around \$1,000,000,000,000 a year, which, because I looked it up, is a trillion dollars.

Now say the gross national

product, or the total of everything this country produces in a year, is about \$950,000,000,000.

I wish you or some of your subscribers would check these figures, but \$1,000,000,000,000, take away \$950,000,000,000, leaves \$50,000,000, which is how much we're failing to

make ends meet.

I looked over my personal figures for last year and, take away some of those zeroes, I'm in about the same shape as the country as a whole. I feel better already. We're all in this together.

Yours faithfully,
J. A.

FRIGIDAIRE

ELECTRIC SELF-CLEANING OVEN

Frigidaire Electric-Clean Oven: It cleans itself! This is how today's smart homemaker cleans her Electric-Clean Oven. She just sets the controls and goes off to the hair-dresser, or the supermarket, or anywhere else she's mind to. Her oven cleans itself automatically while she is gone. It's the ultimate in oven cleaning convenience. Go by West Texas Utilities and let one of our salesmen show you the Frigidaire self-cleaning oven!

FREE WIRING

Normal 220 volt wiring to WTU residential customers who buy an electric range from a local dealer or WTU.

THE HAMLIN HERALD

★★★★★★★★

God has listened to you enough times.

Now how about listening to Him?

More than a few things are troubling our cities, our world, our souls.

Sometimes, we raise our hands heavenward and say, "When oh when are you going to change it all, Lord?" And "changing it all" is just what He expects us to do! Listen: "Love your neighbor as yourself."

If that were put to practice—really to practice—ghettos would not exist, wars would cease, hunger would end, inhumanity would be stricken from the dictionary.

A perfect world.

Will we ever see it?

One thing is certain, we won't even begin to see it, if we don't start doing what God has asked of us for heaven only knows how long.

AUSTIN, — As the January 31 deadline for voters to register draws near, Secretary of State Martin Dies, Jr., the state's election officer, issued a "last call" to those who are 21 or over.

Registration is at the county tax assessor-collector's office, but in many counties, deputies have been set up at at convenient locations. Persons over 60 who live in towns of less than 10,000 or in rural areas must re-register every year.

Under the old law persons past 60 in small towns and rural areas did not have to register, but it now is required every year. If they fail to register by January 31, they will not be able to vote in this year's important elections.

Standing At Stud TIGERAMA

HAMLIN, TEXAS
Phone 576-3739

Dies also pointed out that young people who will become 21 during 1970 can register before their 21st birthday. Tax office will mark on their registration certificate the date on which they will become 21 and therefore eligible to vote.

Both political parties and a number of civic groups are putting on registration drives, seeking a goal of more than 4 million registered voters this year.

OIL IMPORT WORRIES — Concern over possible federal elimination of oil import quotas caused state political and industry leaders to hoist new storm warnings.

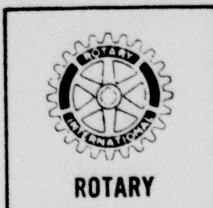

New taxes and serious economic losses are in store for Texas if the Nixon administration scraps the import quota for the tariff system, say informed officials.

Lt. Gov. Ben Barnes called on the Legislative Budget Board staff to determine how much the removal of import barriers would reduce state revenue should oil prices tumble from \$3 to \$2.25 a barrel. Import problem, together with long range appropriation commitments, could create a "very, very grave" tax problem for the Legislature next

Where Service Starts For
More Than Two Million Members

year, Barnes said.

Gov. Preston Smith expressed a similar view in a press conference, terming the potential tax loss from tampering with import quotas "severe."

Democratic Senate candidate Lloyd M. Bentsen Jr. predicted that state tax revenues, 40 per cent of which are derived from the petroleum industry, would "drastically decline" if the tariff system is imposed. He noted that many school districts also draw the bulk of their local revenues for public school support from the oil and gas industry.

Alvin Hope, San Antonio independent oil man, told the Texas Railroad Commission that proposals to reduce crude oil through a sliding scale

tariff collected by the U. S. Treasury would be the "death knell of the domestic industry as we know it."

CAMPUS MADE — Coordinating Board, Texas College and University System, had some jarring news for students.

Board voted tough new regulations to curb the "alarmingly-high" delinquency rate on repayments to the \$285 million Hinson-Hazlewood student loan program. Put into effect was a requirement that applications (except in extreme hardship cases) have co-signers. Colleges may also lose their eligibility to continue their students participation in the program if they don't help police delinquencies.

A careful system of interviews, followups, parental signatures and required letters of recommendation also will be invoked.

Chairman Manuel DeBusk of Dallas, the new board chairman, said he thinks tuition, should be tied to a fixed percentage cost of the overall education program — which would mean a sharp increase.

DeBusk also recommended a separate board of regents for each undergraduate college and university. UT Board Chairman Frank C. Erwin Jr. replied that all boards have grave enough responsibilities to keep them busy "without any unnecessary and wasteful rivalry."

COURTS SPEAK — Third Court of Civil Appeals, reversing an Austin trial court, granted a temporary injunction to block the Alcoholic Beverage Commission from enforcing its tough new private-bottle club regulations,

pending trial on merits. Court said the rule is invalid because the Commission adopted no supporting findings of fact, although proper regulations could be adopted.

Third Court of Civil Appeals also held that the cost of trading stamps cannot be deducted from sales tax payments made by merchants to the state.

State Supreme Court agreed that the driver of a city bus in Dallas was not obliged to remove from his bus an unruly passenger who later shot and killed another passenger.

A title insurance company is not liable for property damage under a contract that is not in the title chain, says the Supreme Court.

GOVERNMENTAL RACE — Texans once again will have a choice between Preston Smith and Paul Eggers for Governor of Texas.

Governor Smith was first to announce. On the first anniversary of his swearing in he stated that he would seek reelection.

Next day, Paul W. Eggers, Smith's Republican opponent in 1968, said he would make the race again.

Neither of the two men has an opponent in his respective primary, as yet.

ATTORNEY GENERAL RULES — Workmen's compensation act covering municipal employees became effective on September 19, Attorney General Martin advised the Texas Industrial Accident Board.

In other new opinions, Martin concluded that:

Rule 10 of "rules of professional conduct of the state board of public accountancy" is in conflict with the Texas Professional Corporation Act (which allows creation of a corporation for the purpose of engaging in the practice of public accountancy within the state on a perpetual basis or for a period stated in the articles of incorporation).

Travel expense of a Texas A&M employee in presenting a research paper before certain learned societies is not a reimbursable cost pursuant to agreement with the Cotton Research Committee.

TECHNICAL - VOCATIONAL CONFERENCE — Governor's conference on technical-vocational education will be held here March 23-24.

About 1,000 are expected to attend sessions held in the Austin Municipal Auditorium and Convention Center.

Governor Smith said the state wants ideas about the types of training needed and the resources available, as well as to inform citizens of the importance of vo-tech ed to the future prosperity of Texas.

AG PRODUCTS PROMOTED — State Department of Agriculture will promote the use of specific agricultural products through 1970 with its TAP (Texas Agricultural Products) program.

Fresh fruits and vegetables are being featured during January and February; red meats in March and April; watermelons, pork and eggs in May and June; and natural fibers, rice and poultry the rest of the year. A special Easter-turkey promotion also is planned.

Fourteen thousand grocers are cooperating as are the various media.

Is Suicide a Crime?

Once a minute, someone in the United States tries to take his own life. Of those who try each year, more than 20,000 succeed. Have all of these people committed a crime?

Under English common law, suicide (literally, self-murder) was indeed a crime. It was punished by ignominious burial of the person's body and forfeiture of his property. Blackstone, the sage of the common law, explained it this way:

"The suicide is guilty of a double offense: one spiritual, in invading the prerogative of the Almighty, rushing into his presence uncalled for; the other, against the King,

who hath an interest in the preservation of all his subjects."

Following English precedent, a few of our states still consider suicide a crime—theoretically. But nowhere are penalties imposed, either against the person's body or against his property.

What about a suicide attempt that fails? A larger number of states do classify attempted suicide as a crime. However, it is seldom prosecuted, perhaps because of a feeling that punishment would serve no useful purpose.

Nevertheless, the law may deal sternly indeed with someone who actively helps a would-be suicide to take his own life. Consider this case:

A despondent woman told her husband that she no longer cared to go on living. He brought her some poison and placed a quantity in her mouth. She promptly gulped it down and, in short order, succumbed.

Brought to trial later on a charge of homicide, the husband protested: "She herself wanted to die. All I did was let her carry out her own wishes."

Nevertheless, the court found

him guilty as charged, since he had played an active role in bringing about his wife's death. The judge said society could not shut its eyes to the act of feeding someone poison, merely because the victim gave her consent.

Local Trio Found Guilty of Assault

Joe D. Adams Jr., 20, was found guilty by a jury of four men and two women in Judge Leon Thurman's County Court Jan. 20 of aggravated assault against Hamlin Patrolman Gary Taylor as a result of an arrest made.

J. D. Adams, 41, and Maxine Adams, 41, parents of young Adams were also convicted of aggravated assault against Hamlin Police Chief Bryan Wasson resulting from their attempt to prevent the arrest of their son.

The son was given 90 days in the County Jail plus \$200

fine and court costs. The parents were fined \$25 each plus court costs. Formal sentencing will be Feb. 2.

NEWS FROM...

Sylvester

By MRS R M BABB

We have had a couple of lovely days but never can tell what will happen this week.

Mr. and Mrs. E. P. Harris will celebrate their 55th wedding anniversary Sunday, Feb. 1 in their home. All their friends are invited to come by for a visit. The affair will be hosted by their children, Mrs. Curtis Stevenson of Anson, Mrs. Johnny Harrell of Sweetwater, and E. P. Harris Jr. of Sylvester.

Mrs. Raymond Griffin has received word that her brother, Travis Bohannon, had just had surgery in the Veterans' Hospital in Los Angeles, Calif. for a kidney transplant and is doing well.

Alan Stephenson, son of Mrs. Bertha Griffin is stationed in Orlando, Fla. for his "Boot Camp" training.

Mrs. James Beck spent most of last week at home ill with the "flu". She teaches in the Roby schools.

Mr. and Mrs. Joe Spikes of Abilene were guests in the Roy Kiser home over the weekend.

Mrs. Garland Moore, Mrs. Lee Lanning and Reveille Lanning of Roby visited in the R. M. Babb home on Friday afternoon.

Thomas Roy Kiser family of Ft. Worth visited in his parents' home, the Cecil Kisers on the weekend. Mr. and Mrs. Woodrow

Lawlis drove to Dallas last week to check on Mrs. Bessie McClung, who was ill but is some improved at this writing. They also visited with their daughters, Mrs. Jimmy Purvis and family, the Mike Dobbs all of Euleess and the Harold Johnson family of Duncenville.

Mrs. F. E. Meek was able to come home from the hospital on Sunday after eye surgery in Abilene.

Debbie Douglass, daughter of Mr. and Mrs. Alfred Douglass, and Gary Kiser, son of Mr. and Mrs. Raymond Kiser attended the Beta Club convention in Dalas over the weekend. They are students in Roby High School.

Mr. and Mrs. Wesley Maberry and daughters of Irving spent the weekend with their parents, Mr. and Mrs. J. P. Maberry and Mr. and Mrs. Richard Kelly.

Guests in Mrs. Robert Reed's home last week were: Mr. and Mrs. J. T. Yeats of Monahans, Mr. and Mrs. Forrest Smith of Kermitt, and Mrs. Sylvia Smith of Lovington, N. M.

Neinda Philosopher Comes Up With Far-Out Ideas On Work for Unemployed Space Workers

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One lives up to his promise of last week, possibly. Dear editor: In case you've forgotten, in my letter last week I promised to figure out something for the 50,000 people being let off by the space agency to do.

Our sympathy to Mrs. Billy Wayne Reed in the loss of her father, Mr. Rephelt of Stamford.

Mrs. Richard Green reports her sister, Mrs. Riley of Anson is doing nicely after surgery in Anson hospital last week.

Mrs. Grace Brewer of Abilene is spending a few days here in her home.

Mr. and Mrs. Snider of Sweetwater visited in the Homer Pursley home Sunday afternoon.

As you know, the space agency has decided by popular demand that one trip to the moon after another from now on is more than the people are interested in paying for, so it has let off 50,000 of its workers and cut back some on its programs.

Now here we've got a fine group of trained, skilled people who have demonstrated with the amazing success of the moon shots, that they know how to concentrate on a problem and whip it brilliantly.

Why let them scatter to the far reaches of the country and hunt up other jobs that won't challenge their full abilities? Why not keep them intact and put them to work on something as challenging as the first two moon shots were?

Of course, it has to be something within the realm of the

possible. No use assigning them the job say of ending wars. Everybody knows the way to end wars is to change the brand of human beings we've got, which is like saying the way to end hurricanes is to change the brand of weather we've got.

Pollution? That problem is to big too. I figure the answer to pollution is people and the more people you have working on it the more pollution you've got.

Remember, 50,000 is a relatively small figure in a population of over 200 million, so let's put them on a relatively small problem.

I'd like to see them tackle the problem on tin cans and bottles this country is throwing away every year but it's enormous, judging by the ones on the road near this Johnson grass farm, and a hundred years from now we'll

all be up to our ankles in the things, not to mention where 200 years from now.

What this country needs is a tin can that disintegrates 15 minutes after you open it, and a bottle that melts when your'e through with it. Also, while they're at it they ought to work on a plate you can eat for dessert and a cup and saucer you can crumble up for dog food.

If you don't think this idea will work, remember I don't either.

Yours faithfully,
J. A.

Don Allen Vists John Deere Plant In Moline, Ill.

Don J. Allen, local farmer, was a guest of Carlton Implement Company for a one day trip to Moline, Ill., for a tour of the John Deere manufacturing plant.

Allen and other Texas farmers left Fort Worth at 7:30 a.m. Jan. 21 and arrived there at 10 a.m. A bus tour was taken in the morning and after

lunch the group went to the East Moline Works to tour the assembly building.

Other afternoon activities included a trip to the administration center and a program in the auditorium followed by a question and answer period.

The group left Moline at 6 p.m. and were back in Ft. Worth by 8 p.m.

News deadline is noon Tues.
